All and any such fees will be clearly disclosed before you commit to any financial transaction.**

**Whether a fee will be charged, the manner in which it will be charged and the date by which the fee will be payable, will be advised when the financial advice service is provided to the client. Please also see our Terms of Engagement for clarification.**

# Conflicts of interest and commissions or other incentives

iLender and KAN will receive commission from the lenders who provide residential and personal loan products. If you decide to take out a residential or personal loan, then the lender will pay commission based on the amount of loan settled with that lender or lenders.

Our advisers get remunerated by taking drawings from the company.

From time to time, various product providers (described previously) may also reward us and/or KAN for the overall business provided to them. They may give tickets to sports events, hampers, or other incentives. To ensure that our financial advisers prioritise the client's interests above their own, we follow an advice process that ensures our recommendations are made based on the client's personal goals and circumstances. All our financial advisers undergo annual professional development refresher training about how to manage conflicts of interest. We maintain registers of conflicts of interests, and the gifts and incentives received.
